CULTURAL OPPORTUNITY

Hull Minster is excited to host the must-see event of 2019, the exhibition of Michelangelo's famous Sistine Chapel masterpiece.

Free tickets are now available to the exhibition that displays Michelangelo's world-famous work up close for the first time, giving visitors unprecedented access to the artist's magnificent paintings which adorn the ceiling of the Sistine Chapel in the Vatican.

This is the only exhibition showcasing the entire set of works and is officially licensed by the Vatican Museums. One of 50+ pieces, including a 6mx6m painting of the Last Judgement, this experience allows visitors to view superb reproductions of the elaborate paintings of the Florentine master from a distance of only two metres, with no time constraints, meaning they will be able to appreciate fully their beauty and fine detail.

The exhibition is supported by an extensive programme of unique events and family-friendly activities throughout the six weeks.
