## Mission Christmas Appeal

Mission Christmas is a charity organised by Cash for Kids, which supports local children up and down the UK at Christmas time.

Last year, in Yorkshire alone, over 20,000 children were expected to wake up on Christmas day without a single present. 2/3 of people that are living in poverty have at least one parent that is employed, but their income can only just cover living costs (rent, bills, food, clothing...), and sometimes even these necessities cannot be afforded.

We have already received 35 presents which is amazing in just over a week.

If you would like to support Mission Christmas and send a gift please see or contact Lucy Thompson from the English Department. She is coordinating the initiative for us.
